"You bring your hand to his face, and give him just a tiny pinch!"

"You're not the strongest, but it should be enough for him to feel through his sleep."

"He shuffles. You're pretty sure he's just pretending to sleep at this point."

"You won't let him get the best of you, and want to keep having the upper hand."

menu:

"Pinch him again":

jump pinchGuy

"Call him out":

jump callGuy

label pinchGuy:

"You pinch him again. On his cheek, at the same exact spot."

"He finally turns over, rubbing the spot with the palm of his hand and your eyes meet."

```
label callGuy:
    g "Hey."
    "No response."
    g "Heyyy."
    "Again, no response."
    g "Hey! C'mon!"
    "He doesn't answer."
    "You decide to pinch him."
```

```
label girlNext:
    p "Ouch. Is that how you greet me first thing?"
    g "Yeah. Is there a problem?"
    "He smirks."
    p "There isn't."
    g "G-Good."
    p "You should greet me like this every morning."
    "You turn your head."
    g "Nevermind!"
    jump classStart
```

```
label LetHimSleep:
    "Class won't start yet, so you decide to let him sleep more. He
always does as he pleases."
    "You think to yourself how cute he looks like that."
    "You pet his hair instead of pinching him."
    "He seems to enjoy it and reacts like a cat, rubbing his own head
on your hand."
    "You conclude he wasn't really sleeping. Instead of saying
something, you just stare at him shyly."
    "Your eyes eventually meet his."
    "He smirks at you, fully content, resting with your hand caressing
his hair."
    p "Good morning."
    "He says teasingly."
    g "Morning."
    "Your hand is still entangled in his hair."
    p "You seem to really like petting me. Is my hair soft?"
    "You get red by that remark."
    g "No! I just had nothing better to do."
    "You're lying. You know you are. And he knows as well."
```

```
"But it bothers no one."
"You playfully grip his hair before letting go your hand."
"However, before your hand makes it far, he grasps it with his own
hand."
"He then intertwines his fingers with yours."
p "Y'know this is a nice way to start my day."
g "W-whatever.."
"The teacher then comes in the class. You abruptly let go."
jump classStart

label classStart:
    "During class not much happens."
    "You meet eyes with him a few times, and he always gives you that
look."
    "You always avoid his gaze, but your own eyes always finds his not
too long after."
    "Eventually class ends and you both walk along the halls."
    "He purposely walks ahead, forcing you to try to catch up, walking
quicked."
    "Once you reach him, he stops."
    "He chuckles."
    "He then turns around and ruffles your hair."
p "C'mon let's go eat. I'm hungry."
"You nod and follow him."
